Miss Oxford is the only daughter of Harry Oxford, who is an insurance broker living in a handsome residence on Hay avenue, Hemp stead. Oxford and Burbank have had business transactions off and on for some years. Some months ago Oxford bought a house to tempstead. To consummate the purchase he ast week required \$5,000.

Being short of money he went to Burbank or a loan. What was his surprise when Burbank refused him. Then Burbank made a

This was, according to his statement, that I mis was, according to his statement, that he would let extered have \$10,000 if Oxford would induce his daughter Lillie to marry Burbank. Oxford was leddgmant, but turning the matter over in his mind, he spoke of it to his daughter, and to his amazement she was satisfied to marry Burbank.

So Oxford went back to Burbank and the marriage was arranged.
